

\$35 A MONTH PROVIDES

NUTRITION

All of the children in our care eat three nutritious meals daily, that are part of a well-balanced diet.

CLEAN WATER

It is a priority for all children to have access to safe and clean water. When necessary, we will fund the construction of a well or the installation of a water purification system.

EDUCATION

We believe that the key to a sustainable future is to ensure that all children have access to an education. With your sponsorship, we provide school supplies and admission fees. We will continue to support any interested children through higher education or vocational training.

MEDICAL ATTENTION

Treatments for pre-existing conditions, regular health checks and emergency care when needed.

ACTIVITIES

To help alleviate the pressures of life in an institution, the children participate in stimulating activities that encourage social development.

SHELTER

OUR SPONSORS CAN EXPECT

PERIODIC UPDATES

When updates about your sponsored child or the center they live in are available, we pass them directly on to you. This could include pictures, school reports, medical updates and personal information like hobbies, favorites and interests!

CONNECTION OPPORTUNITIES

We encourage you to share your love and life with your sponsored child through letters and pictures. To keep costs down, we will transport your packages during our annual staff visits and will return with pictures of your child receiving your cards and gifts.

HOSTED EVENTS

We host sponsor specific social events and service trips around the world where sponsors can meet the children, their caretakers and get a rare glimpse of the centers that support these precious kids.

ONLINE CONTENT

LEMARAID Sponsors have access to a selection of downloadable pictures, videos and real time, center specific updates. They can also send letters directly from our website which will be forwarded onto our trained staff who will translate in country and help the child send a response!
